FOR SALE FREEHOLD

Approached by way of a private driveway shared with just two neighbouring homes, this expansive detached residence occupies a corner plot, enjoying a high degree of privacy to both the house and its enclosed gardens.

Over time, the property has been thoughtfully extended and reimagined, evolving into a home of genuine individuality and presence. The result is a versatile layout, designed to adapt with ease to contemporary lifestyle, equally suited to family living, large-scale entertaining, or the practicalities of multi-generational occupation. Internally, the décor is bold and expressive, creating a strong sense of character and personality throughout.

To the front, the property benefits from ample off-road parking together with garaging, while the welcoming entrance hall sets an immediate tone of space. From here, a series of well-proportioned and characterful reception rooms unfold, each offering its own distinct atmosphere and purpose.

The formal sitting room opens directly onto the rear garden, creating a seamless connection between indoor and outdoor living. A separate family sitting room provides a more relaxed retreat, while a dedicated dining area offers further flexibility for both everyday use and more formal entertaining.

At the heart of the home lies the kitchen, generously appointed, contemporary in design, and thoughtfully arranged to combine practicality with sociability, with space for casual dining. With direct access to the garden, it becomes a focal point for gatherings, particularly during the warmer months. A spacious utility room and cloakroom complete the ground floor accommodation.

To the first floor, four well-proportioned bedrooms are served by two bathrooms, providing comfort and convenience for both family members and visiting guests.

A distinctive feature is the external spiral staircase, rising to a private roof terrace. From this elevated position, far-reaching views extend towards the sea, offering an unexpected and highly appealing vantage point that enhances the sense of individuality this home provides.

The gardens wrap around the rear and side of the property, enclosed by mature hedging to create a sheltered and private outdoor environment. Carefully designed for enjoyment and ease of use, the grounds include sheltered terracing, traditional lawned areas, and an enclosed swimming pool, perfectly suited to relaxed summer living and outdoor entertaining.
